## DVD Wrap Artwork Template

For standard DVD case inlay, front, back and spine.

### Note:

- Text should be kept 3mm from the cut line (edge)
- **Make sure there is a 3mm bleed all the way around (red dotted line).** This means make your image/graphic 3mm bigger all the way around. It will then be trimmed.
- Set out the Artwork in your preferred software using the dimension given as a guide. (Prefer format PDF, .tiff, photoshop)
- **Images: minimum resolution 300dpi**
- **Fonts: Minimum size 6 point**
